SURFACE TRANSPORTATION BOARD

DECISION

Docket No. EP 746

UPDATING THE CODE OF FEDERAL REGULATIONS

Decided: March 27, 2018

AGENCY: Surface Transportation Board.

ACTION: Final rules.

SUMMARY: The Surface Transportation Board (Board) is updating its regulations to reflect certain statutory changes enacted in the Surface Transportation Board Reauthorization Act of 2015 and to replace certain obsolete or incorrect references in the regulations.

DATES: This rule is effective May 2, 2018.

FOR FURTHER INFORMATION CONTACT: Sarah Fancher: (202) 245-0355. Federal Information Relay Service (FIRS) for the hearing impaired: (800) 877-8339.

SUPPLEMENTARY INFORMATION: In this decision, the Board is revising, correcting, and updating its regulations in 49 C.F.R. ch. X. Some of these revisions are necessitated by changes made by the Surface Transportation Board Reauthorization Act of 2015, Pub. L. No. 114-110, 129 Stat. 2228 (2015) (STB Reauthorization Act).

This decision makes the following changes to the Board's regulations:

- eliminates or changes obsolete agency and/or office titles (e.g., 49 C.F.R. §§ 1105.7(b), 1152.50(d)(1)(ii));
- corrects obsolete contact information (e.g., 49 C.F.R. §§ 1180.4(c)(5)(ii), 1182.3);
- corrects references to United States Code or Code of Federal Regulations sections that have been moved¹ or are otherwise incorrect (e.g., 49 C.F.R. §§ 1244.9(d)(2), 1103.3(c)(2));

¹ The STB Reauthorization Act revised parts of the United States Code, including redesignating Chapter 7 of Title 49 of the Code as Chapter 13. STB Reauthorization Act § 3.

- revises URL references to reflect the Board’s new website² (e.g., 49 C.F.R. § 1001.1(d));
- revises the Board’s regulations to reflect that the STB Reauthorization Act § 4 expanded the Board from three members to five members (49 C.F.R. § 1011.3); and
- corrects an omitted subheading (49 C.F.R. pt. 1248).

Because these revisions are not substantive and/or relate to rules of agency organization, procedure, or practice, the Board finds good cause that notice and comment under the Administrative Procedure Act (APA) are unnecessary. 5 U.S.C. § 553(b)(3)(A) & (B).

The Regulatory Flexibility Act (RFA), as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. §§ 601-612, generally requires an agency to prepare a regulatory flexibility analysis of any rule subject to notice and comment rulemaking requirements, unless the agency certifies that the rule will not have a significant economic impact on a substantial number of small entities. Because the Board has determined that notice and comment are not required under the APA for this rulemaking, the requirements of the RFA do not apply.

These final rules do not contain a new or amended information collection requirement subject to the Paperwork Reduction Act of 1995, 44 U.S.C. §§ 3501-3521.
